IN THE THIRD JUDICIAL DISTRICT COURT IN AND FOR SALT LAKE COUNTY, STATE OF UTAH

RESPONSE TO PETITIONS FOR IN THE MATTER OF APPOINTMENT OF TRUSTEES THE UNITED EFFORT PLAN TRUST, AND REQUEST FOR HEARING (Dated November 9, 1942, Amended April 10, 1946, and Amended and Restated on November 3, 1998); and its, Civil No. 053900848 TRUSTEES, including known trustees TRUMAN BARLOW WARREN JEFFS, LEROY JEFFS, WINSTON BLACKMORE, JAMES Judge Denise Lindberg ZITTING and WILLIAM E. JESSOP a/k/a WILLIAM E. TIMPSON and DOE TRUSTEES I THROUGH IX.

Mark L. Shurtleff, Attorney General of the State of Utah, by and through Timothy A. Bodily, Assistant Attorney General, files this response to the petitions filed proposing new trustees.

### BACKGROUND

The District Court has previously suspended the current trustees of the United Effort Plan Trust ("Trust") and has further ordered that the trustees be removed upon the appointment

of new trustees. (Exhibit A, "Order for the Removal of the Current Trustees . . .", dated June 22, 2005, referred to as the "Order".) Specifically, the Court ordered that "An evidentiary hearing is to be held on July 21, 2005 10:00 a.m. . . . to appoint new trustees or in the case suitable trustees are not proposed, to establish a procedure to approve trustees and/or expand the role of the special fiduciary." Judge Himonas has recused himself from the case and the case has been assigned to Judge Lindberg who is currently rescheduling the hearing.

In this same Order, the District Court appointed Bruce Wisan as special fiduciary to trace and recover certain property and to investigate and take inventory of the assets of the Trust. (Id.)

The order specifically provides that newly appointed trustees shall have no power or authority to limit the scope or authority of the special fiduciary. (Id.)

The Attorney General is aware of four petitions filed before this Court proposing new trustees. These petitions are as follows:

1. "Notice of Interested Parties and Response to
Petitions" filed by Richard Jessop Ream, Thomas Samuel Steed, Don
Ronald Fischer, Dean Joseph Barlow, Walter Scott Fischer, Richard

Gilbert and Brent Jeffs proposing "Lee Van Dam, Carolyn Jessop, Winston Blackmore, Don Timpson, Rayo S. Johnson, Roger Williams, John Nielson and Margaret Cooke." This notice has been supplemented to include the nomination of Richard Allred and David Zitting.

- 2. "Amended Private Beneficiaries Notice of Proposed
  Trustees" filed by Richard L. Holm, John W. Nielson and Merril T.
  Stubbs, joining in the original nominations identified in
  paragraph 1 and additionally naming Richard L. Holm and Merril J.
  Harker as trustees.
- 3. "Petition for the Appointment of Robert C. Huddleston, Craig L. Booth, and Gregory A. Kemp as Replacement Trustees for the United Effort Plan Trust", filed by Donald B. Cox and James M. Pipkin.
- 4. "Notice of Interested Parties" filed by Linda Walker, Flora Mae Jessop, Rowenna Erickson, Heidi Miller, under the common affiliation known as Child Protection Project, naming Pam Black, Laurene Cooke Jessop, Janet Johanson, Flora Mae Jessop, Tracy Barlow, Carl John Holm, Ward H. Jeffs, Linda Binder, and Buster Johnson.

The Utah Attorney General does not at this time take a

position on any of the named trustees. However, the Utah Attorney General asks the Court to reschedule the hearing and address at that hearing a formal application process before appointing permanent trustees from the proposed candidates. The Utah Attorney General also suggests that the Court utilize the expertise of the special fiduciary in making its selection of permanent trustees.

#### HEARING

The Court should reschedule the July 21, 2005 hearing. In rescheduling the hearing, the Court will need to provide instruction on how notice should be accomplished. The Attorney General recommends that the Court follow the notice requirement set forth in the Order.

The Order required petitions proposing trustees to be filed 10 days before the hearing scheduled on July 21, 2005. This deadline was July 11, 2005. All interested persons have had the opportunity to nominate trustees. As a matter of efficiency, the Court is encouraged to use this cut-off date to fix the pool of candidates.

# PROCEDURE TO NAME PERMANENT TRUSTEES

At the rescheduled hearing, the Attorney General's Office

suggests the Court set the following procedure to name permanent trustees. First, the Court should request each proposed trustee to provide a verified detailed statement of past affiliations that may be a potential conflict of interest, education, licenses, experience, arrests, criminal convictions, bankruptcy filings, civil actions in which the candidate was a party, and the ability to obtain bonding as may be required by the Court. These statements should be filed within 30 days with copies provided to Bruce Wisan for his review and comment.

Second, the Court should require the proposed trustees to file a detailed plan of administration. These detailed plans should describe how the trustees intend to obtain financing to administer the trust, identify and pay trust liabilities, make distributions to beneficiaries, and use and maintain trust assets. Plans of administration should describe the Court actions necessary to reform the Trust agreements consistent with proposed plans of administration. Proposed plans of administration should be filed with the Court within 30 days with copies provided to Bruce Wisan for his review and comments regarding the feasability of the plans.

Third, the Court should set another hearing to address the

permanent appointment of trustees and, as necessary, to address future Court hearings regarding the proposed plan of administration of the appointed trustees. The Court should prescribe a reasonable manner to provide notice of this hearing and the proposed plans.

# ROLE OF SPECIAL FIDUCIARY

The Court is apprised that Bruce Wisan, special fiduciary, has represented that he is in the process of resolving the quiet title action filed by him on behalf of the Trust. Mr. Wisan has also stated that he is in the process of compiling an initial inventory. As stated by the District Court's previous Order, these roles should continue notwithstanding the appointment of new trustees. As funds become available through the disposition of the Apple Valley property referred to in the special fiduciary's quiet title action, the special fiduciary's role should be expanded to include defending actions against the Trust and proposing plans to satisfy any future tax obligations.

DATED this 15 day of July, 2005.

ORDER GRANTING UTAH ATTORNEY GENERAL'S PETITION FOR (i) REMOVAL OF CURRENT TRUSTEES (ii) THE SUSPENSION OF THE CURRENT TRUSTEES; (iii) AN INVENTORY, ACCOUNTING AND FINAL REPORT OF THE CURRENT TRUSTEES; (iv) THE APPOINTMENT OF A SPECIAL FIDUCIARY; (v) A HEARING FOR THE APPOINTMENT OF NEW TRUSTEES PROPOSED BY INTERESTED PARTIES; (iv) SPECIAL NOTICE FOR HEARINGS

Civil No. 053900848

Judge Deno Himonas

This matter came before the Court on two separate Petitions regarding the United Effort Plant Trust (the "Trust"). The first petition, filed by Mark L. Shurtleff, Attorney General of the State of Utah, seeks (i) the removal of current trustees; (ii)

the suspension of the current trustees; (iii) an inventory, accounting and final report of the current trustees; (iv) the appointment of a special fiduciary; (v) a hearing for the appointment of new trustees; and (vi) special notice for hearing.

The second petition, filed by Richard L. Holm, John W.

Nielsen and Merril T. Stubbs ("Private Beneficiary Petitioners"),
seeks substantially the same relief as that requested in the
first Petition. The Attorney General of the State of Arizona has
filed a Motion to Intervene as an Interested Party. Richard

Jessop Ream and others have filed a Notice of Interested Parties
and Response to Petitions.

No objection has been filed. No trustees have appeared in opposition. Winston Blackmore, a trustee appointed by previous UEP Trust President Leroy Johnson, has responded to process, attended hearings and filed an affidavit in this matter. The current status of Mr. Blackmore as a trustee is unclear.

The Court finds that the named trustees have been served the petition personally or through substitute service. Additionally, pursuant to this Court's previous order, unknown interested parties, including beneficiaries and trustees, have been noticed of this hearing and the petition by publication.

The Court has previously issued a preliminary injunction appointing a special fiduciary on a limited basis and suspending the trustees.

Based upon the petition, the evidence submitted at the preliminary injunction hearing and the affidavits on file, the Court finds:

- (i) it has jurisdiction over this matter in probate pursuant to Utah Code Ann. §§ 75-7-201(c), 75-1-302(1)(c); 75-1-301(5);
  - (ii) the Petitioners have standing for the relief requested;
- (iii) the Private Beneficiary Petitioners do not object to the Court's ruling separately on the Attorney General's petition but reserve the right to seek relief pursuant to their petition at a later date, if necessary.
- (iv) the trustees have committed breaches of trust by failing to protect trust property, defend claims against the trust, administer the trust with reasonable care and caution, account, segregate the assets between charitable and private beneficiaries, and appear before this Court;
- (v) cause exists to remove the trustees under Utah Code Ann. \$75-7-706;
  - (vi) the suspension of the trustees until the appointment of

new trustees is warranted under Utah Code Ann. § 75-7-1001;

(vii) the trustees should file an inventory, accounting, and final report of their administration; and

(viii) a special fiduciary should be appointed under Utah Code Ann. § 75-7-1001.

NOW THEREFORE, IT IS ORDERED that:

1. An evidentiary hearing is to be held on July 21, 2005 at 10:00 a.m., before Judge Deno Himonas, 450 South State Street, Salt Lake City, Utah, to appoint new trustees or in the case suitable trustees are not proposed, to establish a procedure to approve trustees and/or expand the role of the special fiduciary. Interested parties shall propose trustees to the Court at least ten days prior to this hearing. Notice of this hearing or any hearing related to the petition and the relief ordered herein shall be made in accordance with Utah Code Ann. § 75-1-401 and as ordered by this Court in its Ex-parte Order Granting Request for Special Notice for Hearing and shall reflect the following:

Notice is hereby given that on July 21, 2005, 10:00 a.m., the Court shall conduct a hearing to appoint trustees, or in the event suitable trustees are not proposed, to establish a procedure to name trustees and/or expand the role of the special fiduciary. Interested parties shall propose trustees by filing a petition with the Court 10 days prior to the hearing and provide notice as ordered by the Court.

An interested party proposing new trustees shall provide notice of his proposed trustees in this same manner.

- The current trustees shall be removed upon the appointment of new trustees at the above scheduled hearing.
- 3. Until the appointment of new trustees, the current trustees are suspended and enjoined from conducting any activity on behalf of the Trust or its property, except as necessary to maintain and protect the Trust and its property as it was constituted prior to the filing of the petition and to facilitate the transfer of trust administration to the special fiduciary and the new trustees.
- 4. The current trustees shall prepare an inventory, accounting and final report of their administration to be filed with the Court on or before the date set forth above for the appointment of new trustees. The suspension and removal of the current trustees does not relieve them of their fiduciary duties to account as ordered herein. The filing of an inventory, accounting and final report shall not alter the Court's ruling to remove the current trustees upon the appointment of new trustees.
- 5. The current trustees shall deliver all records, documents and property of the Trust to the special fiduciary by

July 21, 2005 and shall cooperate in providing information about the Trust as requested by the special fiduciary. The suspension and removal of the current trustees does not relieve them of their duties.

- 6. Upon appointment, the new trustees shall not distribute Trust property to beneficiaries nor settle any claims made against the Trust without Court approval.
- 7. Bruce Wisan is appointed as special fiduciary on a limited basis without bond to preserve, trace and recover the property or proceeds identified in the Fraudulent Transfer Action filed in the Fifth Judicial District Court, (Case No. 050500723).
- 8. The special fiduciary is also authorized to investigate and take inventory of all Trust property, including the authority to (a) subpoena witnesses and records, (b) obtain title search reports, and (c) take such further action necessary to determine the nature and status of all Trust holdings. The responsibility to investigate and take inventory is subject to and limited by the availability of funds in the Trust estate to reimburse the special fiduciary for the costs, fees and other Court approved expenses incurred by the special fiduciary and his attorneys.
  - 9. The special fiduciary may request permission from the

Court or the new trustees to file actions to recover or protect
Trust property in addition to the property identified in
paragraph 7 of this Order. The responsibility to file such
additional actions is subject to and limited by the availability
of funds in the Trust estate to reimburse the special fiduciary
for the costs, fees and other Court approved expenses incurred by
the special fiduciary and his attorneys.

- 10. The special fiduciary may request Court approval to sell, rent or otherwise dispose of Trust property for the purpose of funding the administration of the Trust pursuant to the authority granted by this Court.
- 11. The special fiduciary is authorized to file all actions necessary to recover trust property by filing in Salt Lake County on behalf of the Trust as permitted under Utah Code Ann. § 75-7-205.
- 12. Once new trustees accept appointment, authority for all matters relating to the Trust not specifically retained by the special fiduciary shall be vested in the new trustees.
- 13. The payment of the fees and costs of the special fiduciary are authorized as an administrative claim under Utah Code Ann. § 75-7-511.

- 14. The authorized fees and costs include the fees of the special fiduciary at \$205.00 per hour, the accounting services that may be provided by his accounting firm at its standard rate, and the fees and costs of his attorneys, including his current attorneys consisting of the firm Callister Nebeker & McCullough (specifically Jeffery L. Shields and Mark L. Callister).
- 15. The authorized fees and costs also include those incurred by the special fiduciary and his attorneys in preparing for the appointment as allowed by Utah Code Ann. § 75-7-1004(1).
- 16. All fees and costs of the special fiduciary, members of his accounting firm, and his attorneys must be approved by the Court.
- 17. The authority of the special fiduciary may be expanded by petition to the Court or without petition by direction of the new trustees. The new trustees shall have no power to limit the scope or authority of the special fiduciary as ordered herein.
- 18. The special fiduciary and his attorneys may withdraw from this interim appointment for any reason after notice and order of the Court. In addition, the Court, upon petition by the new trustees, may relieve the special fiduciary of his responsibilities after notice and a hearing.

19. The special fiduciary is authorized to accept donations to the Trust for purposes of the payment of his costs. The special fiduciary is not precluded from accepting donations from interested parties, including beneficiaries and the plaintiffs in the tort actions <u>Jeffs v. Jeffs</u>, Case No. 040915857 and <u>Ream V. Jeffs</u>, Case No. 040918237.
